

# YOUR PATHWAY TO RESEARCH OPPORTUNITIES STARTS HERE!

## WHEN:

Summer 2021

8 weeks program starting June 1st

## Get PAID to do research, featuring 4 programs for students:

1. **NISE-Prep:** Students that have NOT engaged in any research experience will be paid to conduct independent biomedical research projects at New Mexico Institute of Mining and Technology.
2. **NISE-Bootcamp:** Students with no research experience will be paid to conduct Microbiology research at NMSU. Housing on NMSU campus will be included.
3. **NISE-Internship:** Students with research experience will be matched with NMSU or UNM faculty to conduct independent biomedical research projects. Housing on NMSU campus will be included.
4. **NISE-Bioinformatics:** Students interested in researching the coronavirus disease (COVID-19) and other pandemics will be paid to engage virtually with scientists and bioinformaticians at the National Center for Genome Resources to develop critical-thinking, research and basic bioinformatics skills.

**APPLICATION OPENS:**  
NOVEMBER 15, 2020  
[WWW.NMINBRE.ORG](http://WWW.NMINBRE.ORG)

**DEADLINE:**  
FEBRUARY 1, 2021
