TECH STUDENT JIM BALDO was named April Tech Student of the Month at the Chamber of Commerce luncheon last Thursday. With Jim is Tech sponsor Bill Blair. Jim is gratefully remembered for his efforts in obtaining from his hometown, Randolph Township, N. J., a 1961 Cadillac Eureka originally costing \$19,000 which had been converted to rescue work. Being a volunteer fireman here in Socorro, he knew of the need for such a unit. Through his father, a lieutenant in the Randolph Township Rescue Unit, Socorro Hose Company was given the vehicle. The unit was added to the fleet late in January, 1970 and has been of great assistance to our volunteer firemen. Jim and his wife are both juniors at Tech and majoring in biology.
