RE: RFP Number: RFP# 2511006P, Amendment No. 1
Commodity: Electrical Services - IDIQ

This amendment is issued to incorporate into the RFP questions and their answers regarding the project.

Q1) On Page 11 - Scope of Work: In paragraph three, it states to replace plumbing issues at any and all locations. Should this be electrical?

A1) Yes, the sentence should read “Services will include all work efforts necessary to complete a project including parts, equipment, labor, materials, and lifts to repair or replace electrical issues at any and all locations, to original design specifications or conditions acceptable to PRTC.”

The RFP is due on February 7, 2025.
